Air·Tec

DISTRIBUTOR - APPLICATION FORM

"Thank you for requesting dealership information for our products. We are always in pursuit of individuals who possess excellent skills as well as sales abilities. We offer all authorized dealers unsurpassed technical information and marketing tools, as you can see from our growing website and our exclusive BK marketing product line: BK DEMO PRODUCTS. We also provide exclusive territories - not allowing multiple similar channeled product distribution. This allows for a great profit potential. In addition, our products are like no other. They are positioned at the high-end of the market due to their technologically advanced design.

Please take a few moments to answer the following questions so that we can assess your market. We trust you see our commitment to quality and technology and we hope you will be a welcomed member of our team." George Lovely, CEO
